

PRETENDING TO LEARN

- ✧ Interested in a motivating and engaging way of teaching?
- ✧ Want to begin using drama as a teaching tool in your classroom?
- ✧ Want to extend your drama teaching skills?
- ✧ Want to make learning exciting, enjoyable and fun!

Evelyn of DRAMAWORKZ is offering a workshop in the Mantle of the Expert approach to teaching in and through drama. This approach is encouraged by Dorothy Heathcote and is a powerful way of authentically integrating learning across the curriculum, and is inquiry based. This workshop will be practical arming teachers with a planning process to take back to classrooms.
