LEARNING IN ACTION - EOTC and DRAMA

Take this opportunity to be involved in a workshop at

Owaka Museum - focusing on inquiry learning through drama in EOTC.
Considering the new curriculum and the focus come and experience a dynamic and motivating learning experience. Come away with:

- **A motivating model of inquiry learning**
- **A unit of drama planned, experienced and ready to go (also a model that might be applied to another context)**
- **A chance for an EOTC learning experience in a setting that enhances learning and provides authentic artifacts to inspire and motivate**
- **Professional Development in learning in and through drama**
- **Integrated curriculum in a meaningful way.**
